Not included in the claim are a racing seat, or the 5-point harness. If a driver or car owner refuses a claim. That driver will be disqualified from that race with loss of all points earned for the season up to that point and going forward. *We will allow any young driver to remain in the "Claimer" class even if they refuse a claim. Until they are comfortable with their cars, the track and their seat time; they can remain in the Claimer class and run. They will not run for points but for the seat time. We will allow this.*
